WELCOME TO CAFÉ LEEP!

We are a community cafe staffed by adults with learning disabilities. Our trainees study to obtain an NVQ Level 1 or 2 in Food Safety via our Highfield-approved training centre status.

We also run two cooking groups per week and provide catering for events, meetings and functions.

Working to tackle food waste, we collaborate with Fareshare, who supply us with fresh ingredients we use in our specials and catering menus.

Supporting our enterprise allows us to continue to work with vulnerable adults, providing them with the necessary social and work skills to gain employment.
