- The peer consultation group

LEEP1 and Advonet are working on a project called LEEP1 Inclusion for Employment (LIFE).

This is a project to help people with learning disabilities keep a job and help their voice be heard at work.

**We want to:**

- Make self-advocacy training for people with learning disabilities
- Give employers resources and training to make them better at working with people with learning disabilities

We need people with learning disabilities to join a peer consultation group.

You will bring ideas of how to create training, quality check the materials and help promote the project.

By joining this group you will:

- Gain experience in co-production
- Meet people
- Learn more about how to keep a job
- Learn more about how to speak up for yourself in employment

If you have any questions or would like to join this group please call **0113 244 0606** and talk to Laura or Imogen or email **[life@advonet.org.uk](mailto:life@advonet.org.uk)**
